Vacation Employment Opportunities

12 weeks paid employment
from December to February with Xstrata Australian Operations.

Xstrata is a global diversified mining group, listed on the London and Swiss stock exchanges and based in Switzerland. Xstrata maintains a competitive position in seven major international commodity markets: copper, coking coal, thermal coal, ferrochrome, nickel, vanadium and zinc.

“Our goals are to grow and manage a diversified portfolio of metals and mining business with the single aim of delivering industry-leading returns for our shareholders. We recognise the importance of developing and maintaining a strong professional skills base. In this context the continuous flow of new talent into our operations is a strategic commitment to our future, and to yours.”

Who We Are Looking For?

Xstrata is presently offering opportunities to students in the following disciplines:

- Mining Engineering
- Electrical Engineering
- Geosciences
- Environmental Science
- Accounting
- Human Resources
- Metallurgy
- Mechanical Engineering
- Rock Mechanics
- Surveying / Civil
- Computer Science
- Occupational Health & Safety

Selection is based on an interview with Xstrata.

We cover the costs of travel and provide accommodation for the duration of the program, as well as competitive remuneration.

Our Vacation program is an amazing opportunity allowing students to build relationships and networks within the mining industry which will foster growth, development and a natural progression into a career in mining.
